Dear Bimal,

I wanted to let you know that it's been my pleasure to work with you regarding my accounting and taxation needs for the past two years.

The most impressive feature of your firm is the availability on behalf of you and your staff to resolve the issue in most efficient and timely manner. In our busy world one can not put price on that.

I have always received sound advice from you on many aspects of my business including networking and advertising. I will always be grateful to you for making me part of your networking group.

I wish you all the best in all your future endeavors and looking forward to a long and trusting relationship with your firm.

Sincerely,

Maithili Koparkar
